ACKNOWLEDGEMENT

This book owes its existence to the help, support and inspiration of several people. First of all, it is our privilege to express our sincerest regards to our mentor and Chairman Lord Daljit Rana for his conscientious leadership and encouragement to accomplish this task.

We are ineffably indebted to Sh Kamlesh Mishra, President, Cordia Group of Educational Institutions for his absolute support and unfailing support to make this book possible.

We would like to express our deepest sense of gratitude to Sh. K.S. Rai, Director, Cordia Group of Educational Institutions for his whole-hearted cooperation and valuable guidance on completion of this book in its presently.

We would like to express our very sincere thanks to Sh. S.K.Sharma, Director- Academics, Cordia Group of Educational Institutions for his inspiring help and stimulating suggestions throughout the duration of our project.

We gratefully acknowledge the cooperation and support of all the contributors, without whom this book would not have been possible.

We also take this opportunity to thank all our faculty members who have directly or indirectly helped this project.

Last but not the least, a special thanks to the IQAC of the college for taking up this project and leading it to its successful competition.

Our heartfelt thanks to all!!

PREFACE

The future of the nation is in the hands of the youth and that future is determined by the training and education they receive today. Education indeed is the barometer of a society's advancement.

The ISBN book entitled 'Educational Thoughts & Practices: An Anthology' is published to benefitted the researchers in the field of education through research based studies & articles. The authors gratefully record their debt to the management under whose guidance the book was designed and published.

We gratefully acknowledge the unfailing support & encouragement of our college management in every step of publication of this book.

Thanks must also go to all the Institutions, teachers, research scholars for sharing their views in the form of contribution for the book.

We also thankful to all the faculty members for their assistance and cooperation to complete the book in time.

The authors are very hopeful that the book in its present shape and form will fulfill the desired needs of the learners as well as the research scholars and educationists.
