(Recognized by NCTE, Accredited by NAAC)

(Affiliated to Punjabi University, Patiala, Enlisted Under 2 (f) UGC)

SANGHOL, TEH. KHAMANO, DISTT. FATEHGARH SAHIB (PUNJAB), INDIA-140802

ENERGY CONSERVATION POLICY

The institution has made deliberate efforts to conserve energy by practicing essential usage of the energy resources and adapting the alternative sources of energy. In order to ensure the effective utilization and conservation of energy resources, Smt Jawala Devi College of Education has adopted the following strategies :

1. SWITCH OFF the Lights or Appliances when not in use.
2. To switch towards energy-efficient appliances, with the ENERGY STAR label, which is a federal guarantee that the appliance will consume less energy during Frequent usage
3. Turn off computers, monitors, printers, and copiers after working hours to reduce the internal heat gain.
4. Reduce or replace inefficient, outdated, or excessive lighting within the building.
5. Take advantage of natural daylight: turn off or dim electric lighting when adequate sunlight is available to illuminate interior space.
6. Ensure outdoor lighting is off during the daytime.
7. Establish a preventative maintenance program for your heating, venting and air conditioning (HVAC) equipment and systems. Ensure that you regularly:
 - Change or clean all air filters.
 - Clean all heat exchanger surfaces, water, refrigerant coils, condensers, and evaporators.
 - Repair leaks in piping, air ducts, coils, fittings, and at the unit(s).
