## Waste Management Policy

Smt. Jawala Devi College of Education realizes sustainable and holistic waste management essential in reducing its environmental footprint and providing a safe and healthy work environment for teaching and non-teaching employees, students, and visitors. The college has a duty to ensure that all the campus wastes are disposed off responsibly by using a proper waste segregation mechanism at the source and if possible, converting them into value-added environmentally friendly products.

The college has adapted the 'waste hierarchical approach', to reduce, reuse, recycle and recover waste products. The key points of the waste management policy are as follows:

- Promote Waste avoidance and waste minimization at source
- Segregation of the waste on the basis of Biodegradable (wet waste ) which includes Fruits, Vegetables, etc, and Non -Biodegradable (Dry Waste) including paper, plastic, Aluminum Foil, etc. and to promote recycling or reuse of segregated materials.
- Biodegradable wastes should be processed by composting, vermicomposting, etc. and landfilling shall be restricted to non-biodegradable inert waste and compost rejects.
- Garbage and dry leaves are not allowed to be burnt.
- Routine use of pesticides on garbage has been banned
- Used sanitary waste like sanitary pads should be wrapped securely in a suitable wrapping material and shall place the same in the bin meant for dry waste / non- biodegradable waste.
- Staff will be Responsible for: i). Disposing of waste responsibly through the appropriate waste disposal system (segregation of waste), in accordance with College policy and procedures.
- Students will be Responsible for: i). Littering and Disposing of waste responsibly, through appropriate waste disposal system, in accordance with the Policy and procedure of the college ii). Reporting any problems related to department waste or waste collection procedure to the 'Head of Department'.
